NIA Press Release

Update on investigations in Pehalgam Case and Clarification Regarding Speculations on Pahalgam Terror Attack

New Delhi, 23rd June 2025

The two arrested accused persons charged for harbouring the terror perpetrators were produced before the Hon NIA Spl Court on 23rd June 2025 at Jammu and they have been remanded to 5 days of police custody.

The National Investigation Agency (NIA) has taken note of media coverage. It is seen that some media coverage is speculative and therefore of misleading nature. Such reports circulating in sections of the media and on social media platforms are regarding the sketches and identities of the terrorists involved in the terror attack at Pahalgam.

It is reiterated that, as stated in the official press release dated 22 June 2025, two accused persons have been arrested in connection with the attack. During their interrogation, they have disclosed details about the identities of the three armed terrorists involved.

The NIA has gathered a substantial body of evidence regarding the identities of the terrorists. This includes eyewitness accounts from victims, video footages, technical evidence, and the sketches released by the Jammu and Kashmir Police. All this evidence is being carefully analysed and NIA has not reached any conclusions at this stage.

The NIA assures that the investigation is being carried out with the highest standards of professionalism, and all aspects of the terror attack are being thoroughly examined. The identities and further details of the terrorists will be made public at an appropriate time.
