### NIA Press Release

#### **NIA CHARGESHEETS 11 ACCUSED IN BKI-ORCHESTRATED PUNJAB POLICE STATION RPG ATTACK CASE**

New Delhi, 4th October 2025

The National Investigation Agency (NIA) has chargesheeted 11 accused in the April 2025 case related to the BKI orchestrated Rocket Propelled Grenade (RPG) terror attack at the Qila Lal Singh police station in Batala district of Punjab.

The accused, who are all under arrest, have been charged under various provisions of BNS 2023, UA (P) Act, Arms Act and Explosive Substances Act in the chargesheet filed before the NIA Special Court, Mohali, Punjab. Another 11 accused identified in the case are still absconding.

Foreign-based Handlers of the proscribed Babbar Khalsa International (BKI) terrorist organisation, namely Harpreet Singh @ Happy Passia, Mannu Agwan and Gurpreet Singh @ Gopi Navasherian, had publicly claimed responsibility for the attack, which took place late on the night of 6th April this year. The attack was executed by BKI members, with active support from foreign-based operatives, with the intent to spread terror and promote the agenda of anti-India groups.

Investigations by NIA, which took over the case from the state police in May, revealed that the conspiracy was directed by foreign-based terror operatives, who exploited family ties and other vulnerabilities. They used social media platforms to radicalize and recruit vulnerable youth in Punjab to unleash terrorism against India.

NIA is continuing to investigate the case under Section 193(9) BNSS in an effort to nab the absconders and any other unidentified conspirators involved in the attack.
