NIA CHARGESHEETS NOTORIOUS SMUGGLER IN INTER-STATE ILLEGAL AMMUNITION TRAFFICKING CASE.

New Delhi, 7th May 2026

The National Investigation Agency (NIA) has chargesheeted a notorious arms and ammunition smuggler in an inter-state illegal ammunition trafficking case with footprints spread across Bihar, Uttar Pradesh and Haryana.

Parvez Alam is the ninth accused to be charged in the case RC-01/25/NIA/PAT. Charges have been filed against him under various sections of BNS and Arms Act before the NIA Special Court in Patna (Bihar). A total of 11 persons has so far been arrested in this case and eight of them, who were charged in February this year, continue to be in judicial custody facing trial.

Parvez has several arms cases registered against him since 2013. He was taken on a production warrant in the instant case, involving a large syndicate engaged in smuggling of prohibited bore ammunition. The case was originally registered by the local police in Bihar in July last year with the arrest of four accused following the seizures and recoveries of large amounts of illicit ammunition.

After taking over the investigation in August 2025, NIA found that the syndicate was being operated at three levels- major suppliers, linchpin middlemen and networked retailers. Searches and investigations by the agency in the states of Haryana, U.P and Bihar subsequently led to the arrest of key accused operating at each level.

Further investigations are continuing in the case.
