#### NIA CHARGESHEETS 23RD ACCUSED IN BKI & LAWRENCE BISHNOI GANG TERROR CONSPIRACY CASE

New Delhi, 18th May 2026

The National Investigation Agency (NIA) on Monday filed charges against another accused person in a Babbar Khalsa International (BKI) and Lawrence Bishnoi gang terror nexus case of 2022.

In the 6th chargesheet filed before NIA Special Court at Patiala House Court in New Delhi in the case RC- 39/2022/NIA/DLI, accused Arjit Kumar @ Ajit has been charged under various sections of IPC and UA (P) Act.

Arjit is the 23rd accused to be chargesheeted in the case, related to a terror conspiracy by the dreaded Lawrence Bishnoi gang and the proscribed BKI to spread terrorism in India. He, along with 19 other accused, is under arrest while three others are absconding.

The case, initially filed by the Special Cell of Delhi Police in August 2022, was subsequently taken over for investigation by NIA. The anti-terror agency found, during its probe, that Arjit had colluded with co-accused to facilitate members of the Lawrence Bishnoi gang to carry out terrorist activities on Indian soil and then flee from the country.

Investigations further revealed that the accused had fraudulently arranged passports and visas for the gang members. An accused in the instant case, identified as Sachin Bishnoi, and some other gang members had used such fake travel documents to escape the country.

NIA continues to investigate the case to track the absconders and completely crack the terror-gangster nexus involved in the conspiracy.
