

## **NIA Conducts Searches at Multiple Locations in Jammu & Kashmir in Drone case (RC-06/2022/NIA/JMU)**

Today (18.08.2022), NIA conducted searches at 08 different locations in Srinagar, Jammu, Kathua, Samba, and Doda of Jammu and Kashmir in the case related to interception of a drone used for delivery of consignments of arms/ammunition/explosives by a key module of TRF, an offshoot of LeT, which was working at the behest of Pakistani handlers.

2. The TRF operatives were in constant touch with Pakistani handlers of LeT and were receiving consignments of arms/ammunition/explosives and other terrorist hardware via drones in Indian territory near IB in the Samba Sector. These weapon consignments were being further supplied to TRF terrorists in Kashmir for execution of terrorist attacks on minorities, migrants and security forces. The case was initially registered in PS Rajbagh, Kathua as FIR no. 114/2022 dated 29.05.2022 and was re-registered by NIA on 30.07.2022.
3. Searches conducted today have led to recovery of various incriminating material and digital devices, documents etc.
4. Further investigations in the case are in progress.
