2. Background of the case is that on 02nd October, 2014 at about 12:15 hrs, a powerful bomb (IED) blast took place at the first floor of the rented house in the busy Khagragarh locality of Burdwan District of West Bengal. IED had accidentally gone off at the time of its making by the members of banned terrorist organization viz; Jamat-ul-Mujaheedin of Bangladesh(JMB). The rented house was occupied by the members of JMB, ostensibly for Burkha Stitching though in reality it was being used for nefarious activity of bomb making. 02 accused persons had succumbed to their injuries caused due to bomb blast and 01 accused survived with grievous injuries. The case was initially registered by West Bengal Police, which was subsequently taken over by NIA (RC-03/2014/NIA/DLI dated 10.10.2014) for investigation.

3. Investigation by NIA revealed a conspiracy by JMB (Jamat-ul-Mujahideen Bangladesh) to radicalize, recruit and provide training in arms and explosives to its members in India as well as to commit terrorist acts and wage war against the democratically established Governments of India and Bangladesh. A large number of IEDs, explosives, hand grenades, training videos were recovered during the investigation of the case.

The trial against the remaining eleven arrested and three absconding chargesheeted accused persons shall continue.
